Sewing School Workshop

We hold regular forums whereby young carers share with us their wishes on what they would like their young carers service to provide. We were thrilled to be able to deliver two fantastic sewing workshops as a direct result of forum feedback!

"Lauren has requested a sewing machine for her birthday. She's usually reluctant to try new things so I'm very surprised and happy that she wants to continue sewing"

Young carers were dazzled with the glorious sewing school filled with bobbins, beautiful material and sequins galore - the venue alone was a sight to behold.

Everyone learnt how to use a sewing

machine. Enhancing and developing their skills was key to producing their final piece; each young carer took home a handmade bag and a skills certificate. *"Both girls loved it and it has inspired them positively. They now consider it as a hobby and possible future career - thank you!"*

Needless to say, a fun-filled day was had by all of those that attended. Thank you to KHY Sewing School for having us.

"Dolly loved meeting all the young carers and making her tote bag she has asked for a sewing machine for Christmas and wants to make teddy bears, bags and pillows to sell and donate the profits to BWYC"

Wellbeing Workshop

BWYC were thrilled to collaborate with Bromley Lewisham and Greenwich Mind to deliver an afternoon of wellbeing workshops.

Two individual sessions targeted at both primary and secondary school aged young carers, ensured that the workshop was accessible to all. The main objective of the workshop was to introduce young carers to various strategies to support their mental wellbeing on a daily basis. Young carers enjoyed designing gemstones, making pin wheels and decorating tote bags as a way to creatively express and share their feelings. A great time was had by all.

"They really enjoyed the workshop; it was well worth while and they met new friends too!"

October Pet Corner Club

We couldn't have a half term without a pet corner club! This one certainly did not disappoint. Can you spot your pet's name here? We met Timmy; Pixie; Amber; Bruce; Twinkle; Sparkle; Raphael; Spike; Kitch; Poppy; Justin; Winnie and Gus! Phew, that's a lot of pets! We haven't had any unicorns as yet... However, we do always have Lorna and Hannah's trusted teddy bears. Pet Corner Club is a regular in the Bromley Well Young Carers diary - keep an eye on emails and socials for future dates.

Self Care Week

Self Care Week is an important date in the young carers diary and this year was no exception. We organised a plethora of activities, including a very colourful cookery workshop, a special edition pet corner club and a bonanza edition book club to share top 'Self Care Tips'. See some of the highlights [here](#).

Cookery Workshop

Young carers enjoyed learning how to chop, grate, mix and make these yummy 'Spiced Potato Cakes'.

Healthy eating and using ingredients to add lots of flavour are a key factor in how 'Naani Maas Kitchen' like to deliver these informative sessions. Young carers learnt valuable cooking skills, whilst tasting new spices and ingredients throughout. Copious amounts of fun and laughter made for a brilliant workshop for all those that attended.

Cooking is a great way to take care of yourself and keep both your body and mind healthy. *"I*

loved it, I didn't know if I would like the spices, but I did"

Listen to some of Bromley Well Young Carers [here](#) sharing their valuable tips on how they take care of themselves all year round.

Thanks to the Rotary Club Beckenham for their kind donation which helped towards funding this lovely workshop.

"Thanks for a great workshop, the girls had a blast as ever"

Special Edition Pet Corner Club

We all know that this is the highlight of a lot of your zoom diaries.

Therefore, we had

to organise an extra 'Special Edition' of this brilliant little club we have created – in celebration of self care week. It's been proven that the companionship of a pet offers a great way to reduce anxiety and stress, furthermore, they can be a great source of comfort and motivation.

Need we say more!

Bonanza Book Club Edition

We are thoroughly enjoying our latest book 'The Danger Gang' by Tom Fletcher. Young carers join us each week to catch up on the latest antics that occur in this wonderful town called 'Freaky'. We are always impressed with the fantastic reading skills that you all share with the group, it really is impressive to read out aloud on Zoom. Reading is a brilliant self-care strategy and one which we all agree works wonders for us all.

LGBTQ+ Workshop

Exploring all aspects of the LGBTQ+ community and having meaningful discussions around gender identity were just some of the topics covered during this empowering workshop. Santi from Gen(der) swap is incredibly knowledgeable and created a safe environment where young carers could share their experiences, explore ideas and become an ally.

Young carers joined us at the Mansion, Beckenham Place Park on a wintery evening to enjoy lots of free merchandise and helpful booklets.

"I absolutely loved tonight. The atmosphere was relaxed and fun and I felt that it was such a safe space to learn and ask questions"

"I really enjoyed the workshop and felt extremely comfortable talking about my gender identity"

We each created a 'Style Star' which was insightful and lots of fun, it is amazing just how unique we all are.

This was followed by an evening of pizza and desert of course!

During the post-workshop feast, we were able to imbed what had been discussed by continuing the stimulating conversations that everyone had been so engaged in.

As a result great friendships and allyships were formed across the young carers community.

Carers Trust Network Partner News

Bromley Well Young Carer, Alex has been registered with the service since October 2018. His support worker, Lorna has worked with Alex to utilise all aspects afforded to BWYC through their network partner status with Carers Trust.

Alex has enjoyed working with Carers Trust, shaping and forming the service and he has sat on various steering groups. Additionally, he has enjoyed reading and assessing grants. The knowledge and skills that he has gained are all transferable and will benefit Alex as he develops and shapes his career moving forward.

His most recent opportunity was to use his voice, share stories, shape and inform changes at an event at The Shard. The event was in partnership with Carers Trust and Movement to Work who are a coalition of employers (M&S, Tesco, Sage to name a few) who support young people into employment.

Unfortunately, due to Covid restrictions the event had to be cancelled, Alex looks very much forward to taking part in this fantastic event in the new year.

Listen to Alex [here](#) talk about his experience with Carers Trust. (Proudly wearing his Bromley Well Young Carers T-Shirt!)

Young Carers App

Have you downloaded your Bromley Well Young Carers App?

We loved seeing Annabel and Harriet here share with other group members what events are coming up at their young carers service.

By using the app, Annabel and Harriet are in control of checking out what activities and workshops are coming up in the **'What's Happening Section'** and of course reading their BRILLIANT newsletter in the **'Downloads'** section.

The app has tons more features that support you all, including an **'About Me'** section. This section really helps Lorna and Hannah make sure that we are organising workshops that will support you all, so you really are helping us by downloading it.

Contact us for help downloading the app or for login details.

Thanks, One Bromley

Young carers were excited to be asked to take part in the short film. Some of our regular Pet Corner Club attendees stayed behind after our self-care week special edition club to say a big thank you to One Bromley. Watch the video [here](#).
