May 2024

Dear Families,

Sun Safety in School

Whilst we are all looking forward to some pleasant weather this Summer Term, it is important that we are prepared for any hot weather.

The NHS sun safety advice recommends using a sunscreen with both UVA and UVB protection and choosing a high factor sunscreen (at least Factor 30) with a high level of UVA protection. Many brands are formulated specifically for babies and young children.

So that pupils can continue to enjoy activities outside of the classroom, without the risk of possible sun damage, please supply a named sun hat and some sun screen for your child labelled with their name, so that it can be applied when needed.

Yours sincerely,

Tracy De Freitas
Operations Manager
