Dear Riverside families,

I hope you are all well.

We have been asked by the Local Authority to provide a small number of additional places in the Autumn Term and I am writing to let you know that we will be opening an additional classroom at Riverside Phoenix in the new academic year. We see this as a really positive opportunity as it will enable a small number of children (and their families) to have a place that would not otherwise have been possible. For families of children currently at Riverside Phoenix, please be assured that this will not impact negatively on your child in any way, as our commitment has always been, and always will be, to strive for excellence for all of our pupils, on all of our sites, regardless of growth. We have the appetite, the commitment and importantly, the capacity to respond to such requests in a positive way and we hope you also agree that this is a positive development for the school and for future families joining the Riverside School community.

Yours sincerely,

Steve Solomons
