# Bring Yourself Day 2024

Friday 3rd May 2024

As part of this whole school wow day; pupils and staff are invited to bring in special items that reflect who they are. This could be something from your background/heritage/culture or something that you really love and is a big part of your personality. We are passionate about learning more about each other. Please feel free to wear special items of clothing, bring in food to share, or share photos, music, flags, books etc., and do let us know the stories behind your items.

**We are very excited to learn more about each other!**

Previous 'Bring Yourself Days' have been a great success and lots of fun was had. Do look back at the photo gallery area of our website to see more pictures which may help to inspire this year's efforts. We can't wait to see what this year brings.
